### **REGISTRATION 2019**

**For parents who are not South African residents, annual tuition fees must be paid in full per term or for the year before the start of the academic year.**

Note that we are a Private School approved by British Cambridge and Impaq as Study Centres, thus giving children more individual training using the CAPS or British curriculum with our teacher support in the classroom. Grade RR to 3 has full time teachers as usual. Our teachers are qualified and SACE registered, plus we use student teachers under guidance of the senior registered teachers. We are registered with the exam board, SACAI (South African Comprehensive Assessment Institute) who are recognised by UMALUSI. Registration number A-1046-16  
We are also registered with SAGE PASTEL & FASSET SETA as SVA0020

In order for us to keep the monthly fee as low as possible, we provide one general teacher per class. The teacher provides general tutoring and works with students through their daily, weekly and monthly schedule as per the CAPS Curriculum. They are taught by the teacher to work on these schedule on their own, with the teacher support available at all times, getting them used to how it is done in University. If additional specialised tutoring per subject is needed from subject specialist, parents will be quoted in advance and billed separately per hour.
