ADVANCED COLLEGE (PTY) LTD

Advanced College SA Registration Form

Grade 10 - 12 New Students for 2019

For parents who are not South African residents, annual tuition fees must be paid in full per term or for the year before the start of the academic year.

Note that we are not a Private School but a private company approved as Home School Support Centres, thus giving children more individual training and teaching them how to work on their own with our teacher support in the classroom. Grade RR to 3 has full time teachers as usual. Our teachers are qualified and SACE registered, plus we use student teachers under guidance of the senior registered teachers. We are registered with the exam board, SACAI (South African Comprehensive Assessment Institute) who are recognised by UMALUSI. Registration number A-1046-16
We are also registered with SAGE PASTEL & FASSET SETA as SVA0020

In order for us to keep the monthly fee as low as possible, we provide one general teacher per a maximum of 20 children. The teacher provides general tutoring and works with students through their daily, weekly and monthly schedule as per the CAPS Curriculum. Grade 4 to 12 are taught by the teacher to work on these schedule on their own, with the teacher support available at all times, getting them used to how it is done in University. If additional specialised tutoring per subject is needed from subject specialist, parents will be quoted in advance and billed separately per hour.
